

Waukesha County Community Foundation
Our Pledge to Our Contributors

The Waukesha County Community Foundation exists to serve charitable donors who are committed to preserving and enhancing the nonprofit sector of Waukesha County and beyond. As directors of the Foundation, we share that commitment with our donors.

We pledge to abide by our mission.

We pledge to honor donor intent in order that each permanent fund shall provide grant support according to each donor's agreement with the Foundation.

We pledge to review all grant recommendations to ensure that they support qualified recipients.

We pledge to engage volunteer leaders who are knowledgeable about area nonprofit organizations and committed to a strong charitable sector for Waukesha County.

We pledge to invest Funds with a long-term view, knowing that these are permanent Funds and that there will be periods of ups and downs that will affect Funds in the short term.

We pledge our willingness to meet with all donors at their request.

We pledge to annually audit our financial statements and activities and to make the audit information available to those who request it.

We pledge to avoid conflicts of interest and maintain confidentiality in all private matters pertaining to a Fund's grants and Foundation activities.
